Space for every occasion

There are many options for seating your guests, depending on the number of guests and the table configuration.

Our main room is expansive and spacious, and offers a warm environment for lively gatherings, brand launches, or corporate dinners; or a elegant and classy backdrop to a wedding reception or ceremony.

The bar room is an intimate yet fully-equipped space. When used independently, it is ideal for seminars, small social gatherings, or tea ceremonies/solemnisations. It can also be combined with the main room for more seating, or alternatively, used as a second space for welcome drinks, displays, presentations, showcases, or any other purpose.

We can set up lines, U-shape, theatre style, and other configurations of seats and tables, to facilitate a wide range of event types, from town halls, to breakouts, to presentations, to wedding parties. We can also lay out high tables and stools, perfect for canapés, drinks, or informal gatherings/mixers.

If desired, we can remove tables, to create expansive areas for displays and other interactive experiences.

Seating arrangements

You are free to choose either fixed/allocated seating or free seating for your guests.

For events with food ordering (e.g. guests have a choice of main courses), for ease of service we ask that all guests receive a name tag for their table with their chosen option. You may choose to arrange this yourself, or we can arrange this for you once you have provided a list of your guests' orders.

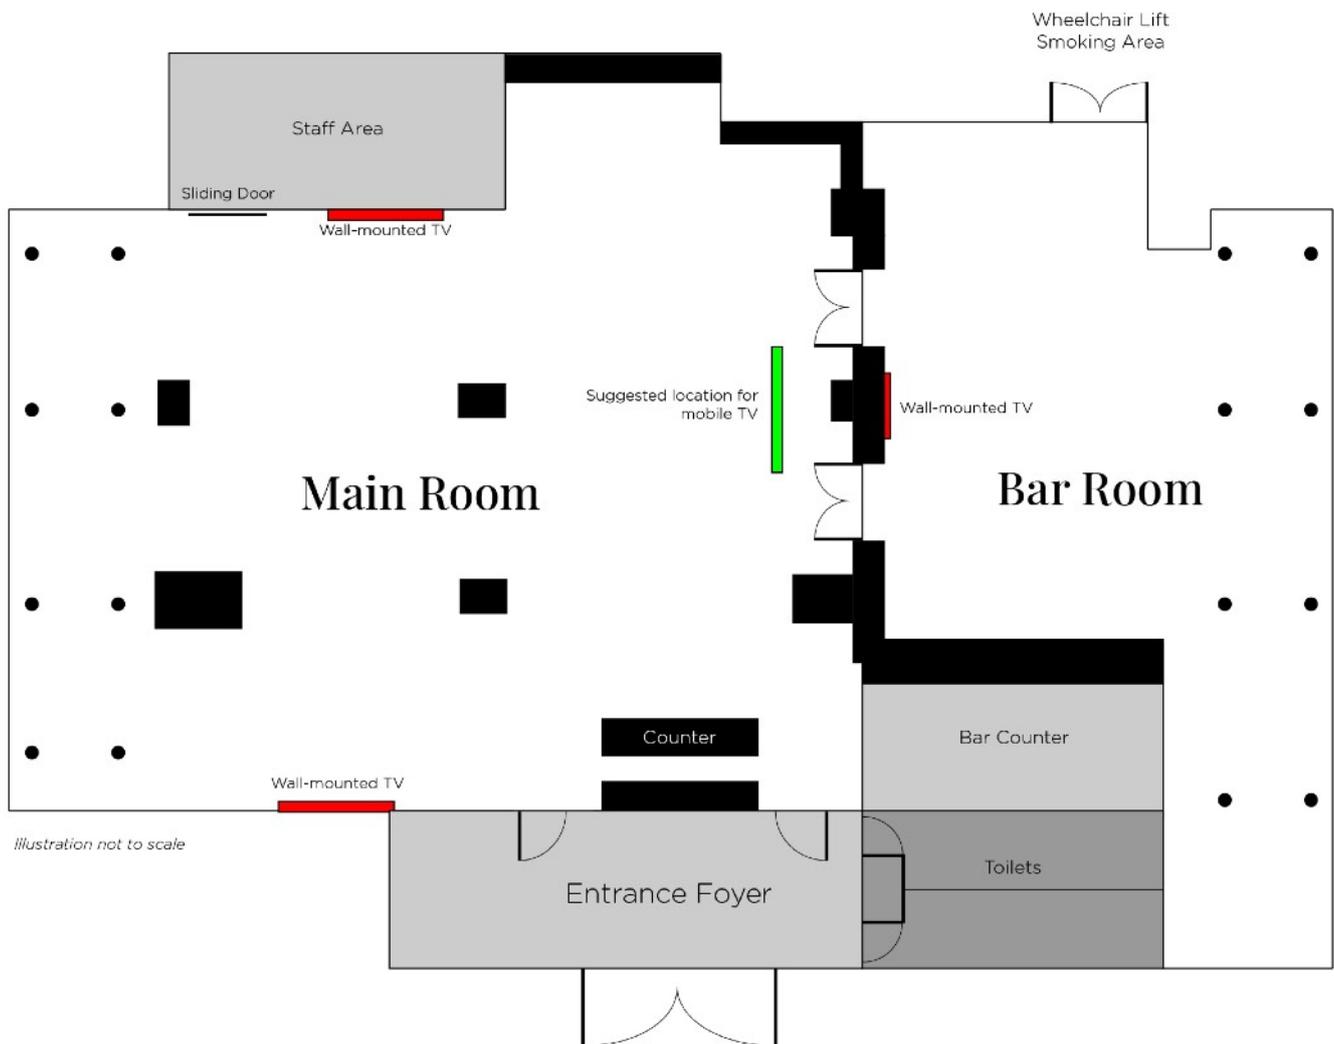

Capacity and Floor Plan

We are able to seat the following capacities in our rooms.

Please note that when our space is used at maximum capacity, there will be limited space per guest. Additionally, operational requirements will dictate a fixed table plan to ensure a smooth service.

Guest Capacity	Main Room	Bar Room	Combined

Audio/Visual Equipment

Use of our A/V equipment is charged at a flat rate of \$250++ per event.

Our system is based on 4K TVs, which are located within easy viewing distance of your guests. Audio is via our ceiling speakers, which can be connected to our high-fidelity wireless microphone system.

Our restaurant is equipped with WiFi, and we have an Apple TV connected to the TVs. If you are using your own computer, you can plug in to either the projector or TVs using HDMI - we have cables in house.

Depending on your event needs, we can offer you our in-built speaker system for background music, or our standalone portable PA system. We will advise you of the best choice for your event during our meetings.

For background music, we recommend creating a Spotify playlist and sending the link to us so we can play it back on our music system. You may also choose to connect your device directly for playback.

We can also arrange to play videos for you - if you would like us to do this, please send us your video file in a standard playback format (.MP4 preferred).

We are happy to accommodate external A/V vendors including lighting and audio, subject to consultation and additional fees in the event extra setup time is required. Please note that our space is not equipped with high-amperage power, and that our floor is not able to support heavy equipment.

Terms and Conditions

These Terms and Conditions are valid as of 20 November 2022, and are subject to change without prior notice.

Pricing and Availability

The final quote offered to you, as well as all menus, amenities and facilities offered, are made in good faith and are valid at the time of booking.

Where bookings are made well in advance of the event date, unforeseen circumstances (including but not limited to inflation, tax rises, ingredient availability, unexpected facility/equipment damage, and so on) may require us to change the price quoted before your event. **Please be reminded that the Goods and Services Tax (GST) will rise to 8%, effective 01 January 2023.**

In this case, we endeavour inform you of price changes at the earliest possible opportunity, and/or to offer you the best possible available alternative, or to come to an agreement regarding the substitution or removal of an item from your final price.

Please note that in the unlikely event of new COVID-19 safe management measures, we will require your event to comply with all relevant restrictions including capacity limits, proof of vaccination, pre-event testing etc. Events which refuse to comply with prevailing restrictions will be cancelled.

Deposit

Once we have finalised your package with you, we will advise you of the final price, and will ask you for payment of a deposit, typically 50% of the total price, to secure the date and venue.

We ask that you pay your deposit as soon as possible after the final quotation. Most choose to pay this in person at our restaurant in conjunction with their final planning meeting; however for convenience, we are able to send you an online payment link for a small additional fee.

Your deposit will be fully deducted from the grand total at the point of final payment, typically on the day of the event itself.

Please note that deposits are **non-refundable**, however in case of an emergency change to your event, your deposit can be transferred to another event (subject to availability and the difference in price).

Food and Beverage

All food and beverage orders, including the final count of the main course, must be confirmed **10 days prior to the event date**. Menus are subject to change due to the availability of seasonal produce - we will be in touch if this occurs.

Changes to numbers made beyond the 10 day cutoff **will not be refunded or deducted**; i.e. if you order 10 meals and 2 guests cancel 2 days before the event, you will still be required to pay for 10 meals. We will be able to serve this to you as a takeaway if requested.

Audio/Visual, Facilities and Storage

You must finalise your A/V setup at least 7 days before your event. All A/V requests and rentals are subject to availability and the restaurant's discretion. Any damage to the restaurant's equipment will be charged at fair value equivalent to the cost of replacement.

Facilities available are subject to change at short notice.

You may store items for your event subject to the availability of space, of which we will advise you. Items will be kept for a maximum of 7 days after the conclusion of your event, then disposed of.
